Notes: (1) All prices are GST exclusive; (2) Group 6 connections also attract monthly ancillary and LRR pass-through charges; (3) Residential Low Fixed Charge is available for primary residence connections with consumption less than 8,000 kWh per annum; (4) Day: 0700 to 2300, Night: 2300 to 0700; (5) High Load Factor (HLF) pricing is best suited to high consumption 15-150kVA capacity consumers with load factors exceeding 30%; (6) General metered supply includes non-residential; (7) Discounts are subject to any legislative or regulatory changes that would adversely affect the provision and/or receipt of discounts; (8) Transmission prices recover charges for the use of the national grid, ACOT payments to generators and the avoided transmission liability (as prescribed in clause 3.1.3(e) of the Electricity Distribution Services Input Methodologies Determination 2012). It is noted that Network Tasman's transmission pricing does not include the full avoided transmission liability, and instead only includes the portion that it chooses to recover, as permitted by an exemption granted by the Commerce Commission from the requirement in clause 2.4.18 of the Information Disclosure Determination. (9) For further details on our pricing and how it is determined, please see our Pricing Methodology, available on our website.
